

Passed Constitutional Amendments, SGA 2014 (14 April 2014)

SGA Constitution, Article I, Section II, E.c to replace current rule, which states, "Student Organization Representatives are strongly encouraged to attend each General Assembly meeting, but requirements for meeting attendance shall vary depending upon charter classification."

c. Attendance at SGA General Assembly is required once a month for Student Organization tiers 2, 3, and 4. Attendance is required at every SGA General Assembly for Student Organization tier 1.

SGA Constitution, Article I, Section II, 1.E

Regarding the responsibilities of an Elected Housing Student Representative:

a. The housing representative will place name, elected position, and email address on the community board of their housing.

b. The housing representative will post a list of three (3) or more items of interest from every SGA General Assembly meeting.

c. This informative list will be posted within two (2) days of the meeting that it summarizes.

SGA Statute, Article III, Section 2, D

For the sake of maintaining quorum in the General Assembly, a constituency forfeits the right to be represented should the following conditions be met:

a. No student runs for that representative position in the main election.

b. No write-in candidates occur, or none of the write-in candidates is willing to serve in that position.

c. The SGA Moderator, according to their responsibilities, attempts two appointments of students, and both have been rejected.

d. The SGA Executive Board sends an email to that constituency to warn of the situation.

e. Two meetings of the SGA General Assembly occur with no presence of said constituency.

SGA Statute, Article I, Section II, E

For a student group to move to a higher tier, that group must fulfill the following requirements:

a. Use all SGA-provided funding from the academic year.

b. Fulfill all obligations and responsibilities of the group's current tier.

c. During the re-chartering process, the group will submit ideas for student/community events that would require the funding available in the Tier to which they would like to be moved.

SGA Statutes, Article II, Section III, H

For a group to become a chartered Student Organization in mid-academic year:

a. The group must complete all budget and chartering forms, and the group must submit these forms to the SGA Treasurer and Vice-Moderator.

b. The SGA Treasurer and Vice-Moderator will review the proposed budget in order to determine recommendation of acceptance as student organization as Tier 4.

c. The SGA Treasurer and Vice-Moderator will bring their recommendation to the SGA General Assembly for a vote to accept the mid-year group as a student organization, with the rights and responsibilities of their tier.

d. During the annual review of Student Organizations' re-chartering, the mid-year group will complete this process under the same statutes as any other Student Group.
