E-Board Reports

1. **Moderator’s Report:**
   a. Working with BGLASS and possibly ABS to promote a presentation on Bayard Rustin
   b. Working on a Lecture Series featuring authors from the Seminary community. SGA will incur no cost from this series.
   c. Open Mic Night coming up.
2. **Vice Moderator’s Report**
   a. Nothing to Report
3. **Treasurer’s Report**
   a. Asking for mid-year budgets. Asking groups to take a look at their current funding and decide if it can all be used this year. If not, there will not be a penalty (groups will still receive the same amount next year) but we can reallocate that funding for other groups as needed.
   b. Encouraged groups to co-sponsor events.
   c. Hoping to see an increase in our overall budget next year with the addition of three new groups.
4. **Faculty-Student Liaison:**
   a. Community in Conversation set for February 19, 2015 in the Main Dining Hall at 6:30 PM. President will provide dessert. Discussed the format for the evening.
   b. The breakfast with professorial candidate for Congregational Studies went very well.
5. **Secretary Report**
   a. Requested that those who will be absent from the meeting send an email so that we have something on record.

**PTR:** Luke Zerra made a presentation about a project PTR is working on, a journal in honor of Dr. Darrell Guder. They currently have 14 articles submitted from a variety of institutions. They requested $509 from SGA in order to print enough journals. This is a one-time request (after this year, their budget will be able to support such an undertaking). After discussion, a motion was made by Carla Allenye, seconded by Ben Shaw. Approved unanimously.

**Students for Peace and Justice in the Holy Land:** Inviting three lecturers to come March 30th - April 2nd. Requested an additional $500 to offset these costs. As with PTR, this is a one-time request. After discussion, a motion was made by Doug Walters and seconded by Jacob Douylliez. Approved unanimously.

**Student Concerns and Announcements:**
Carla promoted the ALS Dance.

**Adjournment:** Motion from Doug Walters, multiple seconds.
